## LILIES

### Lilium Croft

Our Crofts will be from the same dependable growers in Oregon who have supplied us for the past several years, and whose bulbs have made it possible for us to establish our reputation for having the best in Crofts. The bulbs we ship for Easter flowering will have been properly processed to force for that date and will be ready for delivery from storage November and later.

### Lilium Ace

Blooms somewhat more freely than Croft, and with shorter leaves it requires less bench space. Forces about 10 days later than Croft under same conditions.

(Case packs same as Crofts)

### Lilium Estate

Especially suitable for top quality cut flowers during spring and early summer. Can be planted successfully from November to March for flowering April through June.

(Case packs same as Crofts)

Write for prices

### Lilium Floridii

The best Lily for early cut. Blooms in 90 to 100 days, and can be planted from Sept. to May for continuous cut. Usually about 36 in. tall and requires generous spacing, as much light as possible, and even temperatures for early forcing.
